

BRISTOL

Virtual Reality Viewer

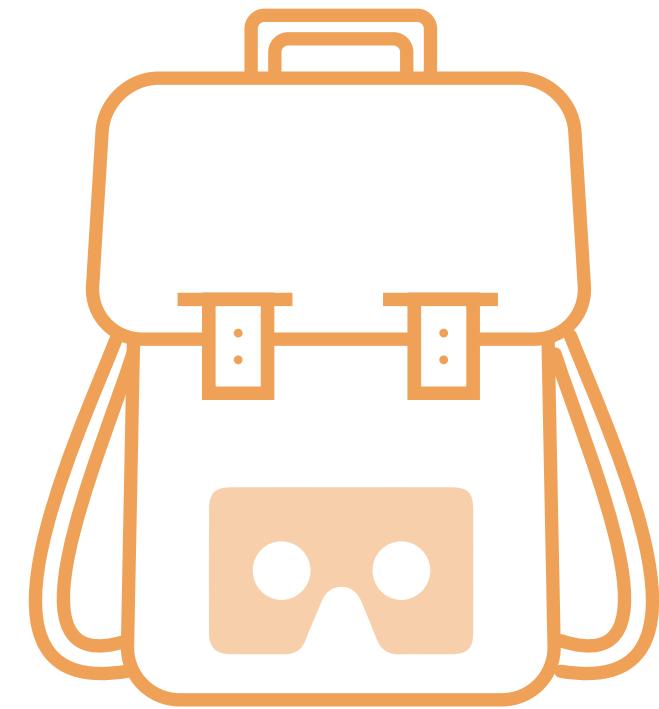

Growing fast, yet Consumer-friendly

A growing industry that lets you
experience almost anything.

?

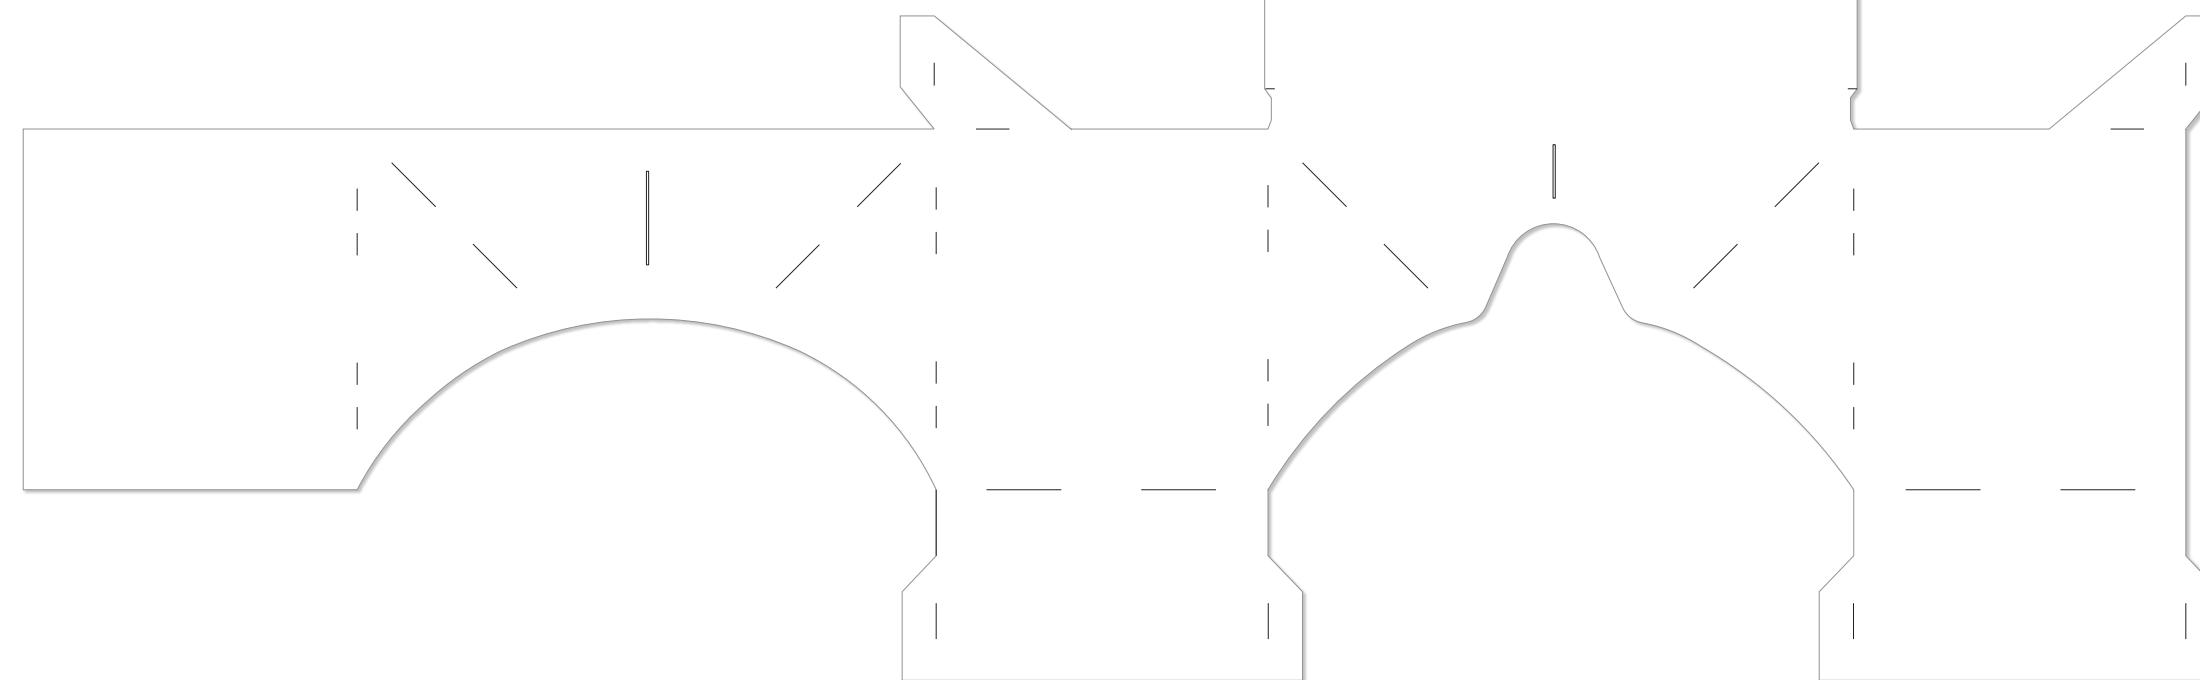

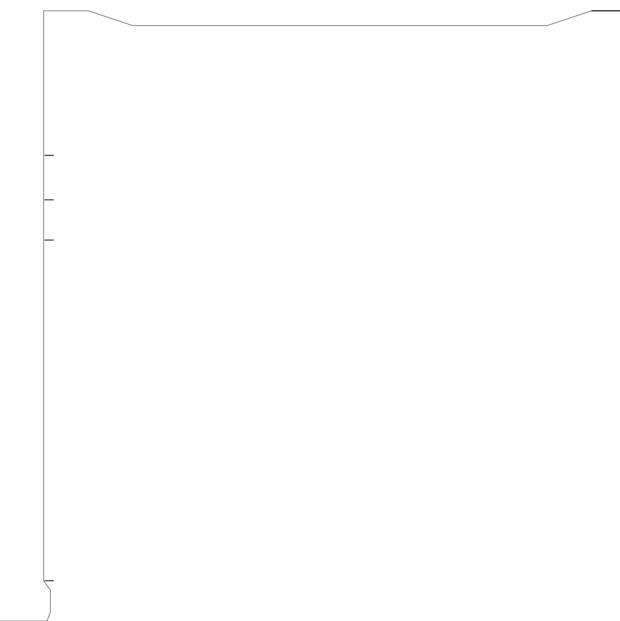

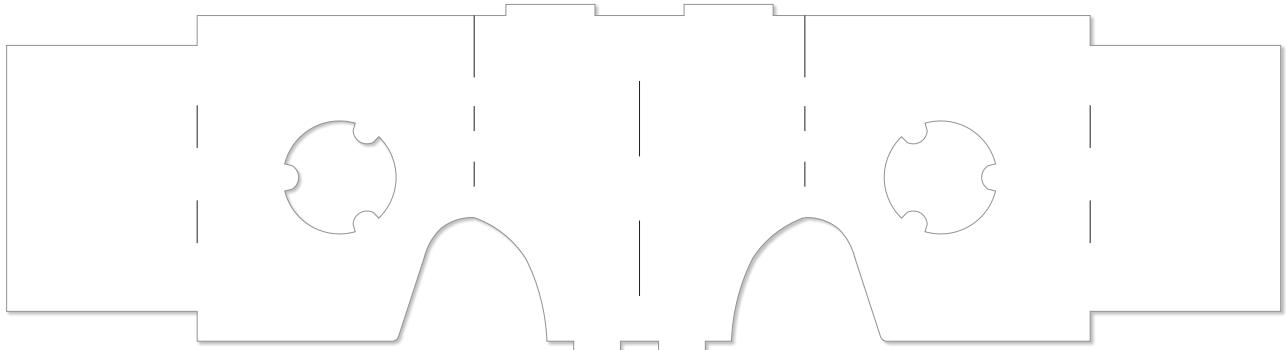

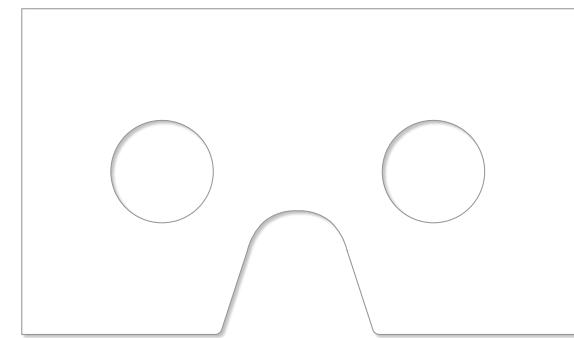

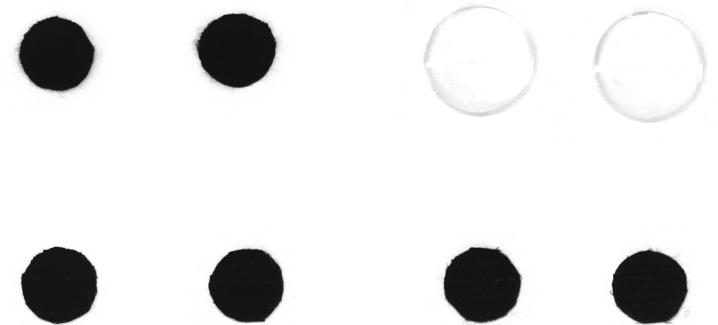

?

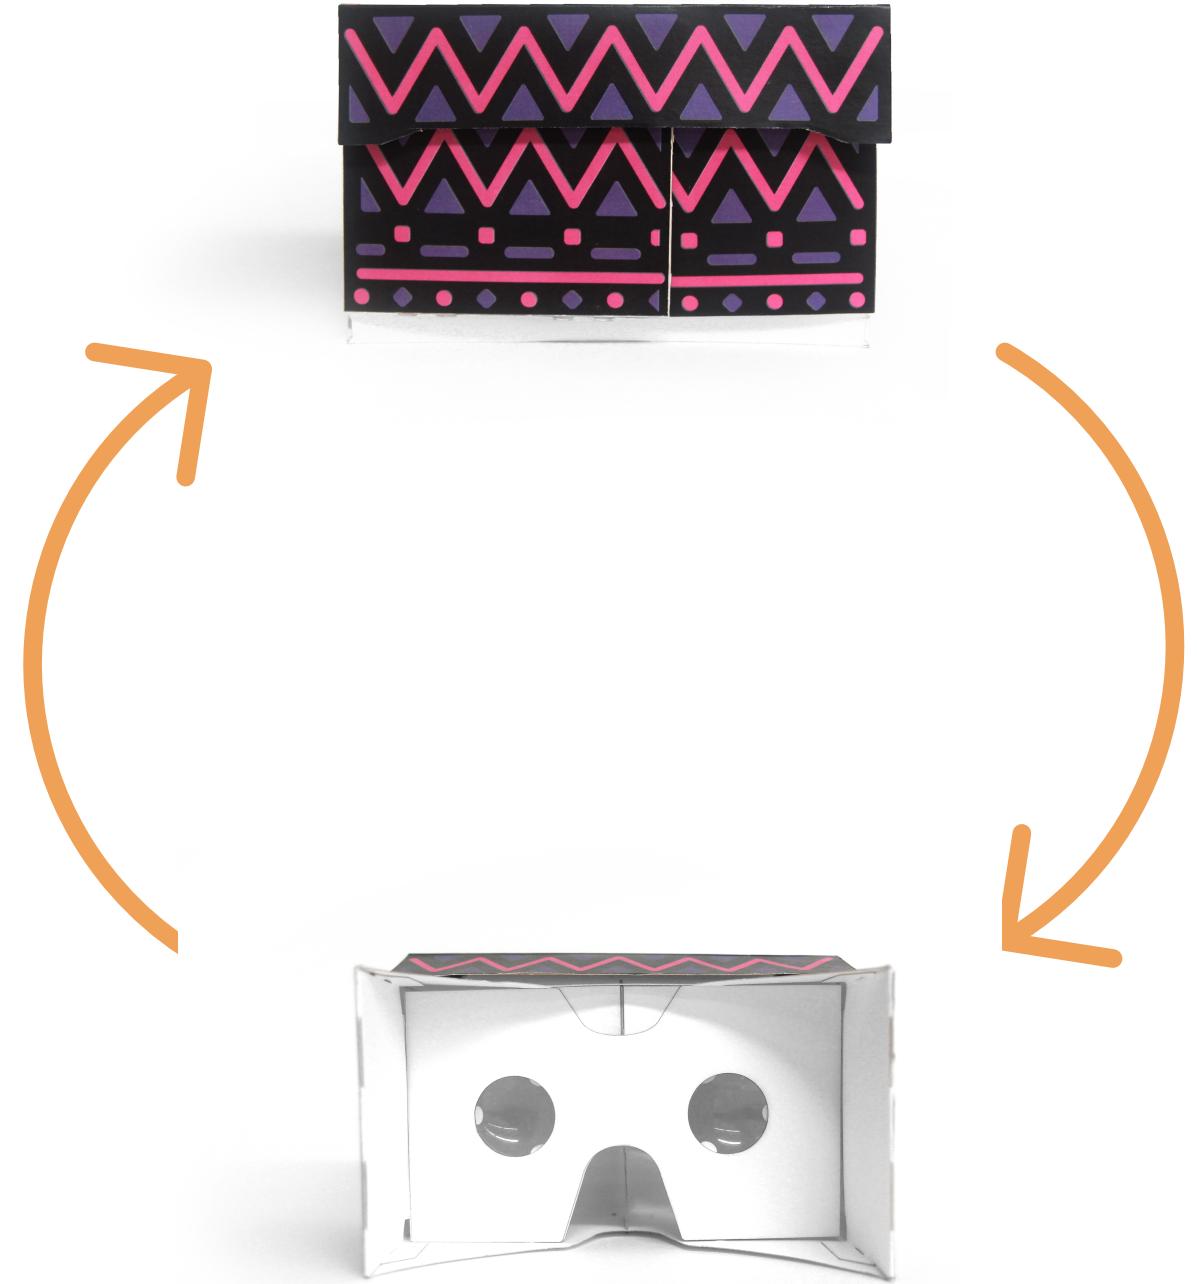

Good Start,
But limited.

Google Cardboard makes a VR
viewer affordable but with limits.

A tailored VR experience for everyone, everywhere

Put VR Into Your Pocket.

A folding mechanism allows a more portable and accessible VR experience.

Unfold The VR Experience.

Open, Unfold and Use. Three steps bring you a new experience.

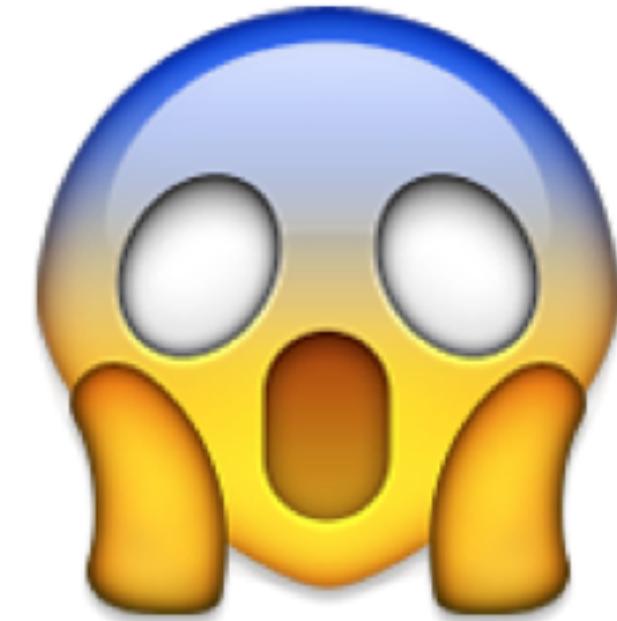

One That Represents You.

Bristol is customized to match your style.

BRISTOL

A tailored VR experience for
everyone, everywhere

Immersive and sensual experience

Recreate sensory experiences in a
world that feels real.

An experience with endless possibilities.

Novel and exciting opportunities from games
to classrooms and more.

Bristol: Fold and Unfold
